Installation Instructions 3-30-20

## **Model RYK-PBR**

### **Steps needed to install your RYKER Passenger Back Rest**

1.- The Passenger back rest comes complete and ready to install for a simple Installation. You must have the OEM Max Mount and Passenger Rear Seat option. To install place the main bracket under the rear Max Mount and install using the supplied 6mm Bolts. Be sure to use **BLUE** Loctite on each bolt. If you have a Rally Edition Max Mount the Small Plastic Fender Extension on the Max Mount will need to be removed.

## 2.- Completed Installation Photos.

**We thank you for purchasing the Ryker Passenger Seat Back Rest. We know today the needs for comfort accessories, and we have solved that demand with a stylish system that compliments the design of your Ryker®!**
