Installation Instructions 7-24-25

### **Model CAN-CH3**

## **Steps needed to install your Canyon Handlebar mounted Cup Holder. For 2025+ Canyon Models**

1.- First with a 3mm Allen wrench remove these two OEM screws at the back of the handlebar cuff as shown below. Next take the cup holder, spacers, washer and bolt and place a spacer top and bottom between the cupholder bracket and the cuff. Take the washer and socket head bolt provide and screw the top and bottom bolts in as shown below and tighten evenly. If you want the cup holder on the opposite side, simply remove the bracket from the cup holder and flip it over and reassemble it.

We thank you for purchasing one of our Canyon Cup Holders. Today we know the need for accessories for your Canyon, and we have solved that demand with a stylish system that compliments the design of your Canyon®!
